DISCLAIMER

Every word in this book is drawn directly from the divine discourses of Bapuji Dashrathbhai Patel — founder of Vishwa Parivartak Ishwariya Vidhyalay, Ahmedabad. Nothing has been added, interpreted, or embellished. The teachings are presented as Bapuji has spoken them.

Each quote appears first in its original Hindi (or, in one case, the original English in which it was first delivered), followed by a faithful English rendering for readers across the world. Hindi and Sanskrit terms have been kept in their original form, italicised where they appear in the English line, and gently explained in the glossary at the end.

Nothing in this book is intended as medical, psychological, financial or legal advice. The teachings here are spiritual in nature and are offered solely for inner reflection, awakening and self-realisation.

Every reader is gently invited to receive these words slowly, with an open and quiet heart — for these are not opinions to be debated, but luminous reminders of what already lives within the soul. All teachings belong to Bapuji Dashrathbhai Patel, shared freely in the spirit of Gyan Daan Maha Daan.

ABOUT BAPUJI

Bapuji — full name Bapuji Dashrathbhai Patel, lovingly called “Dadaji” by the younger generation — was born in 1956 in the small village of Akhaj in the Mehsana district of Gujarat. He spent his childhood in another village called Ambasan, also in Mehsana.

In the early part of his life, he was a highly successful lawyer in Ahmedabad. Later, he gave up everything to realise the supreme spiritual truth and to bring this divine knowledge forward for the welfare of all humanity. Today, this supreme knowledge serves as a guiding light for true seekers who wish to return to their original source.

Despite being raised in a very poor family and facing many hardships, Bapuji carried a deep longing to transform this world of sorrow into a better place. At the young age of six, he repeatedly questioned God — asking why God remained silent about the suffering of humanity. This intense longing later led him to the highest spiritual realisation.

Even as a child, Bapuji would spend long hours alone in the fields. Due to poverty, he walked barefoot, often pricked by thorns. On his way back home in the evenings, he would sometimes encounter beings of the subtle world — experiences that quietly opened his inner doors to the unseen.

Bapuji was courageous from a young age. Alongside his studies in chartered accountancy, he gave tuition classes to support himself, and later completed his Bachelor of Law degree to become a well-known lawyer in Ahmedabad.

In 1997, he established the spiritual institution Vishwa Parivartak Ishwariya Vidhyalay in Chenpur, Ahmedabad — with the mission of transforming this mortal world of suffering into an eternal divine world. Smt. Sushma Tandon, lovingly known as “Maa,” worked alongside him in this great divine mission.

To accomplish this mission, Bapuji worked tirelessly. He would deliver continuous spiritual discourses for up to eighteen hours without rest. In these discourses he revealed the highest dimensions of divine knowledge — knowledge realised through deep meditation and divine vision in a state of superconsciousness.

His teachings cover a vast range of subjects — the celestial creators across different dimensions, the creation of our solar system, galaxy and universe, and most importantly, the transcendental knowledge of the multiverse and the realities beyond it. According to Bapuji, the highly evolved “behad souls” will play a key role in transforming this mortal world into an eternal divine realm.

At present, Bapuji remains deeply absorbed in intense meditation and samadhi for long hours. He does not meet anyone, as he is continuously immersed in his transcendental mission in a superconscious state.

The 108 reflections that follow are drawn directly from his spoken words — short flames lit from a much vaster fire.

PREFACE

“Gyan Daan Maha Daan”

(Sharing Knowledge is the Highest Charity)

Share to the maximum extent with all.

— by Bapuji Dashrathbhai Patel

There are some words that do not need to be explained. They arrive whole. They settle on their own. And, given a little silence, they slowly begin to do their quiet work within.

The words that follow are such words. Each one was spoken by Bapuji Dashrathbhai Patel — sometimes in a long evening discourse, sometimes in a single luminous line that landed and remained. Across many gatherings, lectures, and live sessions, these short flames have been gathered here in one place — preserved, presented, and offered.

Each reflection appears first in its original Hindi, exactly as Bapuji has spoken it, followed by a faithful English rendering — so that a soul anywhere in the world may receive its meaning. Nothing has been added. Nothing has been interpreted. The ordering is gentle and traditional — opening with the soul, walking through the inner science of yog, sankalp and consciousness, touching the great themes of time, transformation and the world to come, and resting at last in Param Shanti, the original *sanskar* of every *atma*.

This is not a book to be finished. It is a book to be lived with. A page a day is enough. A single line, sometimes, is enough — if it is allowed to settle, to breathe, to slowly do its quiet work within.

May these 108 quiet flames stand by you on the inner journey. And in the spirit of Bapuji’s eternal teaching — Gyan Daan Maha Daan — may you carry them onward to every soul who is ready to receive.

HOW TO READ THIS BOOK

This is not a book to be rushed.

Read one quote at a time. Pause after each quote. Let it settle within you.

These words are not just to be read — they are to be experienced.

A simple way to walk with this book:

Choose one quiet moment in your day. Open the book at any page. Read the Hindi line first — slowly, even if you do not understand every word. Let its sound move through you. Then read the English meaning. Close your eyes. Sit with it for a few breaths. Do not analyse. Do not argue. Only let it rest in your heart.

If you read like this, even one quote can change a day. And one day, sincerely lived, can change a life.

After every set of reflections in this book, you will find a small page titled “Pause and Reflect.” Honour it. Do not skip ahead. Allow the silence between the quotes to do its silent work — for that silence, too, is a teaching of Bapuji.

THE 108 SACRED QUOTES

Spoken directly by

Bapuji Dashrathbhai Patel

Read slowly. Pause often. Let each one settle.

QUOTE 1

• • •

“ज्ञान की पहली सीढ़ी है आत्मा को समझना — मैं एक आत्मा हूँ, यह शरीर नहीं। आत्मा हमारे मस्तिष्क के सेंटर पॉइंट में रहती है, और वहीं से पूरे शरीर को चलाती है।”

“The first step of knowledge(atma gyan) is to understand the soul — I am a soul, not this body. The soul resides at the center point of the forehead(brain) and from there it governs the entire body.”

QUOTE 2

• • •

“अनेक जन्मों का कर्म-रिकॉर्ड कारण शरीर में होता है, और वही जन्म-मरण का बंधन बनता है। आत्मस्वरूप में स्थित होकर योग द्वारा कारण शरीर को चार्ज करो — और बंधन-मुक्त बनो।”

“The record of karmas from many births is stored in the causal body (*karan-sharir*), and it is this that creates the cycle of birth and death. By abiding in one’s true self and energizing the causal body (*karan-sharir*) through yoga, one can become free from bondages.”

QUOTE 3

. . .

“वायुमंडल लोगों के संकल्पों से बनता है। जब आत्मा आत्मस्वरूप में स्थित होकर परमशांति के शुद्ध संकल्प फैलाती है, तो नकारात्मकता स्वतः समाप्त होती है, और वायुमंडल में सकारात्मक परिवर्तन आता है। यही विश्व-कल्याण का सबसे सरल और प्रभावी मार्ग है।”

“The atmosphere is shaped by thoughts (*Sankalp*) of people. When the soul (*atma*), established in its true nature(*atma-swaroop*), radiates pure *sankalp* of Param Shanti, negativity dissolves naturally, and a positive transformation arises in the atmosphere. This is the simplest and most effective path to the welfare of the world.”

QUOTE 4

. . .

“ज्ञान के बाद योग ज़रूरी है। योग के बिना प्राप्ति नहीं होती।”

“After *gyan*, *yog* is essential. Without *yog*, no real attainment occurs.”

QUOTE 5

. . .

“निष्काम भाव से किया हुआ कर्म ही अकर्म बनता है।”

“Action performed without any desire becomes *akarma*—action that does not bind.”

QUOTE 6

. . .

“पहले स्व-परिवर्तन होता है — फिर विश्व-परिवर्तन अपने आप होता है। स्व-परिवर्तन का अर्थ है — अपने स्वभाव और संस्कारों का परिवर्तन कर के बाप-समान बनना।”

“First comes self-transformation — then world-transformation happens by itself. Self-transformation means: transforming one’s own nature and inner impressions, and becoming like its own creator (father).”

QUOTE 7

. . .

“जीवन का लक्ष्य आत्मा से परमात्मा बनना है। लक्ष्य होगा — तो लक्षण आएँगे। लौकिक डिग्री से बड़ी डिग्री यही है। इसके लिए वही ज्ञान चाहिए जो परमात्मा को पहचानना सिखाए। परमपिता को जाने बिना, परमात्मा बनना संभव नहीं।”

“The highest purpose of life is the transformation from the soul (*atma*) to the Supreme (*Param-atma*). With a clear aim, the right qualities manifest naturally. This is a highest realization than any worldly qualification. It requires the knowledge that reveals the Supreme (*Paramatma*); without knowing the Supreme Father, union with the Supreme is not possible.”

QUOTE 8

. . .

“यहाँ आने के बाद बहुत सावधान रहना होता है — कि माया पकड़ न ले। माया अत्यंत शक्तिशाली है। उसे बस एक छोटी-सी खिड़की खुली चाहिए, और वही काफ़ी है। कदम-कदम पर सम्भाल ज़रूरी है।”

“After coming here in human life form, one must remain very alert — so that illusion (*maya*) does not engulf the soul. Maya is extremely powerful. It needs only one small window left open, and that is enough, to creep in and destroy the soul. Care is needed at every step.”

QUOTE 9

. . .

“मृत्यु के समय आत्मा का शरीर नहीं जाता — उसका अंतिम विचार जाता है। और जो अंतिम विचार होता है, वही आत्मा की अगली गति तय करता है।”

“At the time of death, it is not the body of the *atma* that travels — it is its last thought that travels to a new realm or body. And whatever the last thought is, that alone determines the next destination of the *atma*.”

QUOTE 10

• • •

“पूरे जीवन में जो संस्कार, सोच और आदतें बनी होती हैं — मृत्यु के क्षण में वही अंतिम विचार बनकर उभरती हैं।
इसलिए जीवन का सबसे बड़ा अभ्यास है — अंतिम क्षणों के लिए स्वयं को तैयार करना।”

“The sanskars, thoughts, and habits accumulated over a lifetime arise as the final state of mind at death; therefore, the highest discipline of life is to prepare oneself for that final moment.”

QUOTE 11

• • •

“परमधाम आत्मा का विश्राम-स्थल है। जहाँ न मन है, न विकार, न समय का दबाव। वहाँ आत्मा पूर्णतः परमशांत,
स्थिर — और अपने मूल स्वरूप में स्थित होती है।”

“*Paramdhaam* is the eternal abode of the soul (*atma*), beyond mind, beyond impurities, and beyond the influence of time; there, the soul (*atma*) abides in perfect *Param Shanti*—still, pure, and established in its original essence.”

QUOTE 12

• • •

“आत्मज्ञानी कभी रिद्धि-सिद्धि नहीं माँगता। वह केवल एक ही चीज़ माँगता है — परमात्मा की प्राप्ति, और परमधाम की गति।”

“The self-realized (*atma-gyani*) soul (*atma*) does not seek siddhis or powers; it seeks only the union with the Supreme (*Paramatma*) and the ultimate journey to *Paramdhaam*.”

QUOTE 13

• • •

“परमात्मा की सही पहचान ज्ञान के माध्यम से ही होती है। जो आत्मा रोज़ योग का अभ्यास करती है, वही सत्य के निकट पहुँचती है। योग के बिना कोई स्थायी प्राप्ति नहीं।”

“True recognition of the Supreme (*Paramatma*) is possible only through knowledge. The soul (*atma*) that practices yoga every day moves closer to the truth. Without yoga, no attainment can be sustained.”

QUOTE 14

• • •

“सृष्टि में जो भी व्यवस्था है — वह संकल्पों से संचालित होती है। मनुष्य का प्रत्येक विचार वायुमंडल का निर्माण करता है। जब वायुमंडल परमशांति से भरता है — तो विश्व-परिवर्तन स्वाभाविक रूप से प्रकट होता है।”

“The fabric of creation is governed by *sankalp* (intentional thought). Each human thought shapes the atmosphere; and when the atmosphere is imbued with *Param Shanti*, world transformation naturally manifests.”

QUOTE 15

. . .

“निष्काम कर्म का अर्थ काम छोड़ना नहीं — कर्तापन छोड़ना है। जो कर्म नाम, मान और पहचान के लिए किया गया, वह चाहे धर्म हो या सेवा — बंधन ही देगा। निष्काम कर्म केवल परमात्मा की याद में होता है।”

“Nishkama Karma is not the renunciation of action, but the renunciation of doership. Actions motivated by name, honor, or identity—even in the guise of religion or service—bind the soul (atma). True Nishkama Karma is the action performed in constant remembrance of the Supreme (Paramatma).”

QUOTE 16

. . .

“परमात्मा को केवल शब्दों से नहीं पाया जाता। सच्ची स्मृति भीतर के भाव से जागती है। जो जीते जी आत्मस्वरूप में स्थित होता है, वही अंतिम क्षणों में शांत रह पाता है। और अंत-मति ही आत्मा की सद्गति बनती है।”

“The Supreme (Paramatma) cannot be realized through words, but through awakened inner remembrance. One who abides in the Self—that is, in pure soul-consciousness—remains serene at the final moment; and the final state of consciousness determines the soul’s (atma’s) ultimate course.”

QUOTE 17

. . .

“जैसी सामूहिक सोच होती है — वैसी ही प्रकृति प्रतिक्रिया देती है। प्राकृतिक आपदाएँ भी मानव-संकल्पों का प्रतिफल होती हैं।”

“As is the collective thinking — so does nature (*prakriti*) respond. Even natural disasters are the reflection of human intentions (*Sankalp*).”

QUOTE 18

. . .

“मनुष्य सोचता है — खतरा बाहर से आएगा। लेकिन असली खतरा चेतना के कमज़ोर होने से आता है। सुरक्षा बाहर नहीं — चेतना में है। जो आत्मा परमशांति में स्थित है, वह किसी भी बाहरी संकट से प्रभावित नहीं होती।”

“Man believes danger arises from the external, yet the true threat emerges from the weakening of consciousness. Security lies not outside, but within consciousness itself. The soul (*atma*) established in *Param Shanti* remains unshaken by any external turmoil.”

QUOTE 19

. . .

“परमशांति कोई भावना नहीं — यह आत्मा का रक्षा-कवच है। जिसने परमशांति धारण की, वही आने वाले समय में सुरक्षित रहेगा।”

“Param Shanti is not merely an emotion—it is the protective shield of the soul (*atma*). The one who embodies *Param Shanti* will remain secure in the times to come.”

QUOTE 20

. . .

“परमशांति के वाइब्रेशन काल-अग्नि से भी रक्षा करते हैं। जिस घर में परमशांति है, वहाँ विनाश प्रवेश नहीं कर सकता।”

“The vibrations of *Param Shanti* offer protection even from the consuming fire of time i.e. cosmic destruction; where The home where *Param Shanti* prevails, destruction finds no entry.”

QUOTE 21

• • •

“आने वाला समय बहुत खतरनाक है — लेकिन समाधान भी साथ आया है: आत्मज्ञान, ब्रह्मज्ञान, और परमशांति के वाइब्रेशन। जो आत्मा अब जागेगी — वही आने वाले कल में सुरक्षित रहेगी।”

“The times ahead are perilous, yet the solution has already arrived—self-knowledge (*atma-gyan*), Brahma-gyan, and the vibrations of *Param Shanti*. Only the soul (*atma*) that awakens now will remain secure in the time to come.”

QUOTE 22

• • •

“निरंतर परमात्मा की स्मृति में किया गया कर्म ही सच्चा कर्मयोग है। इसी अभ्यास से आत्मा शक्तिशाली बनती है, आवरण हटते हैं, और परमात्मा से सीधा संबंध जुड़ता है।”

“Action performed in constant remembrance of the Supreme (*Paramatma*) alone is true Karma Yoga. Through this practice, the soul (*atma*) becomes powerful, the veils of ignorance are removed, and a direct connection with the Supreme (*paramatma*) is established.”

QUOTE 23

. . .

“शरीर किसी का नहीं बचेगा। बचने वाली केवल आत्मा है। इसलिए समय आ गया है — आत्मा की शक्ति को जगाने का; इस मृत्यु लोक को अमर लोक बनाने का।”

“No physical body will endure; only the soul remains. Therefore, the time has come to awaken the power of the soul (*atma*)—to transform this mortal world into an immortal realm.”

QUOTE 24

. . .

“काल किसी का शत्रु नहीं है। काल केवल सफ़ाई करता है। जो शुद्ध है — वह बचता है। जो अशुद्ध है — वह समाप्त हो जाता है।”

“Time is no one’s enemy; it serves only to purify consciousness. What is pure endures, and what is impure is ultimately dissolved.”

QUOTE 25

. . .

“मृत्यु लोक को बचाने का प्रयास व्यर्थ है। आत्मा को बचाना ही — एकमात्र समझदारी है।”

“Efforts to save the mortal realm are in vain; protecting the soul alone is the only true wisdom.”

QUOTE 26

. . .

“जो आत्मा पाँचों तत्वों से ऊपर उठ गई है — उसके लिए मृत्यु केवल एक परिवर्तन रह जाती है।”

“For the soul (*atma*) that transcends the five elements, death is nothing but merely a shift in consciousness.”

QUOTE 27

. . .

“परमशांति’ शब्द के भीतर परम प्रकाश स्वतः समाहित है।”

“The very word ‘*Param Shanti*’ inherently embodies the power of supreme light (*Param Prakash*) within it.”

QUOTE 28

. . .

“अद्वैतवाद परम सत्य नहीं है। परमधाम में भी आत्मा और परमात्मा अलग रहते हैं।”

“Non-dualism (*Advaita-vada*) is not the ultimate truth; even in the Supreme Realm (*Paramdhaam*), the individual soul (*atma*) and the Supreme Being (*Paramatma*) remain distinct.”

QUOTE 29

. . .

“आने वाले समय में मन इतना प्रभावित होगा कि उसका प्रभाव सीधे तन पर पड़ेगा — और दवाइयाँ भी काम नहीं करेंगी। ऐसे समय में मन की रक्षा करना ही सबसे बड़ा पुरुषार्थ होगा। केवल परमशांति की कंपनी ही मन को स्थिर रख सकती है। इसके बिना मन नहीं बचेगा।”

“In the times to come, the mind will be so profoundly influenced that its impact will directly manifest in the body—and even medicines will cease to be effective. In such a time, protecting the mind will be the greatest spiritual effort. Only the vibrations of “*Param Shanti*” can keep the mind steady; without it, the mind will collapse completely.”

QUOTE 30

. . .

“सनातन धर्म समय से भी पुराना है — यह सृष्टि का आदि-धर्म है। और जो सनातन शास्त्रों को नकारते हैं, वे ज्ञान से वंचित रह जाते हैं।”

“*Sanatan Dharma* is older than time itself—it is the primordial law of creation. And those who reject the eternal scriptures (*sanatan shastras*) remain deprived of true knowledge.”

QUOTE 31

• • •

“पर-चिंतन पतन की जड़ है — क्योंकि यह आत्मा की शक्ति को क्षीण करता है। इसलिए स्व को जानो, आत्मस्वरूप में स्थित हो। स्व-स्वरूप में स्थित होना — ही सच्चा स्व-चिंतन है।”

“Thinking about others is the root cause of downfall of soul — because it drains the power of the soul (*atma*). Therefore, know the true self; be established in pure soul consciousness (*atma-swaroop*). Remain established in self-awareness is only the true self-contemplation.”

QUOTE 32

• • •

“जब कर्म कर्तापन से मुक्त होकर परमात्मा की स्मृति में ड्यूटी बन जाए — तो कर्म-बंधन नहीं बनता। वही निष्काम कर्म आत्मा का परमधाम का प्रारब्ध लिख देता है।”

“When action becomes free from the sense of doership and performed as a sacred duty in remembrance of the Supreme (*Paramatma*), it no longer creates karmic bondage. Such *Nishkama Karma* ordains the soul’s destiny (*prarabdha*) in the Supreme Abode (*Paramdhaam*).”

QUOTE 33

. . .

“मनुष्य आत्मा ज्ञान से शिव-स्वरूप को प्राप्त कर सकती है।”

“By true self-knowledge , the human soul can attain the divine state of Shiva.”

QUOTE 34

“When the soul (*atma*) attains the realization of its true essence i.e. pure soul consciousness, its light begins to awaken gradually, and it abides in a thoughtless (*nisankalp*) state.”

QUOTE 35

. . .

“धरती के पास अब समय बहुत कम है। परमशांति के वाइब्रेशन फैलाओ — यही अंतिम समाधान है।”

“The earth has very little time left now. Spread the vibrations of *Param Shanti* — this is the final solution.”

QUOTE 36

. . .

“आत्म-दर्शन का अर्थ केवल यह कहना नहीं कि ‘मैं आत्मा हूँ।’ बल्कि इसका अर्थ है — स्वयं को पहचानना, और अपनी अनादि और बीज-रूप अवस्था को जानना और अनुभव करना। आत्मा शरीर नहीं — बल्कि शरीर तो आत्मा के कर्म करने का साधन मात्र है।”

“*Atma-darshan* does not mean merely saying, ‘I am the *atma*.’ Rather, it means — to recognise the self, and to know and experience one’s beginningless, luminous absolute formless seed-state. The *atma* is not the body — the body is merely an instrument through which the *atma* performs actions.”

QUOTE 37

. . .

“परमशांति की कंपन फैलाना ही आत्मा का वास्तविक कर्तव्य है।”

“To radiate the vibrations of *Param Shanti* is the inherent duty of the soul (*atma*).”

“The fundamental question is ‘Who am I?’ Until this is clearly understood, the realization of the true Self i.e. pure soul consciousness (*atma-swaroop*) cannot arise.”

QUOTE 39

QUOTE 40

. . .

“सोचना माने — आत्मा की पावर को वेस्ट करना। सोचना नहीं — स्वरूप बनना है।”

. . .

“आत्मा का मूल संस्कार ही है — परमशांति। आत्मा जब बनी, तब वह परमशांति की स्टेज में थी।”

“Shiva is the consciousness of a solar system—that is, a solar system (one *Brahmand*)—whereas Mahashiva is the conscious governing power of an entire galaxy. Shiva represents one level, while Mahashiva is infinitely more vast.”
