About Bapuji

Bapuji (full name: Bapuji Dashrathbhai Patel, also lovingly called “Dadaji” by the younger generation) was born in 1956 in the small village of Akhaj in the Mehsana district of Gujarat. However, he spent his childhood in another village named Ambasan, also located in the Mehsana district.

In the early part of his life, he was a highly successful lawyer. Later, he devoted his life to realizing the supreme spiritual truth and bringing this divine knowledge forward for the welfare of humanity. Today, this supreme knowledge serves as a guiding light for true seekers to realize their ultimate destiny. It is a blessing of the highest divinity that the present time is witnessing the rise of this supreme spiritual knowledge, guiding souls on Earth to return to their original source.

Despite being raised in a very poor family and facing challenging circumstances, Bapuji had a deep desire to transform this sorrowful and suffering world into a better place. At the young age of six, he questioned God repeatedly, asking why God remained silent about the suffering of humanity. This intense longing to end human suffering eventually led him to attain the highest level of spirituality later in life.

Even as a child, Bapuji would spend hours alone in the fields, often neglecting his own comfort. Due to poverty, he would walk barefoot without shoes or sandals, frequently getting pricked by thorns. Many times, he would stay late in the fields and, on his way back home, encounter subtle world entities. These experiences sparked his interest in communicating with subtle world souls.

Bapuji was courageous from a young age, which helped him overcome many obstacles. Alongside his studies in chartered accountancy (CA), he gave tuition classes to support himself financially. Later, he completed his

Bachelor of Law (LLB) degree and became a well-known lawyer in Ahmedabad.

In 1997, he established a spiritual institution called “Vishwa Parivartak Ishwariya Vidhyalay” in Chenpur, Ahmedabad, with the mission of transforming this mortal world, filled with suffering and disorder, into an eternal divine world of immortality. Smt. Sushma Tandon, lovingly known as “Maa,” worked alongside Bapuji in this grand divine mission.

To accomplish this mission, Bapuji worked tirelessly, dedicating all his resources to this divine purpose. During that time, he would deliver continuous spiritual discourses for up to 18 hours without rest. In these discourses, he explained the highest dimensions of divine knowledge, which he realized through deep meditation and divine vision in a state of superconsciousness. This knowledge goes beyond the imagination of the ordinary human mind.

Bapuji’s teachings cover a vast range of topics, including the types of celestial creators across different dimensions, the creation of our solar system, galaxy, and universe, and most importantly, the transcendental knowledge of the multiverse and realities beyond it. His knowledge is supremely profound and is intended for highly evolved seekers, referred to as “*behad* souls.” According to Bapuji, these “*behad* souls” will play a key role in transforming this mortal world into an eternal divine realm.

At present, Bapuji remains deeply engaged in intense meditation and *samadhi* for long hours. He does not meet anyone, as he is continuously immersed in his transcendental mission in a superconscious state.

Preface

Gyan Daan Maha Daan

(Sharing Knowledge is the highest charity — share to the maximum extent with all.) — Bapuji Dashrathbhai Patel

This book presents the vision of Bapuji Dashrathbhai Patel regarding the divine destiny of Bharat — its transformation into the eternal world teacher, *Vishwa Guru*. In a world where nations seek power through material means, Bapuji reveals a different kind of greatness — one rooted in spiritual awakening, soul knowledge, and the supreme peace that flows from the subtle world.

According to Bapuji, the transformation of Bharat is not merely a political or economic shift. It is a spiritual phenomenon, guided by the awakening of thirty-three crore *devi-devata* souls in the subtle world, whose energies are descending upon Bharat to establish an era of *param shanti* — supreme peace — across the land and eventually the entire creation.

This is not a book of speculation or commentary. Every idea presented here originates directly from Bapuji's spoken discourse. Nothing has been added, expanded, or interpreted beyond what Bapuji himself conveyed. The role of this publication is simply to refine the presentation while preserving the complete purity of his teachings.

May this knowledge reach every sincere seeker and serve the highest purpose.

Chapter One

The Rise of Bharat

Today, a sacred longing stirs in many hearts of Bharat — when will this land rise once again to its eternal spiritual glory? When will Bharat reclaim its *sanatani* destiny? Bapuji affirms that this is certain to happen. Bharat will rise. Bharat will become the golden bird once again. Bharat will rise in every direction.

Bharat is destined to rise economically, step by step, advancing in its progress upon the world. Scientifically, and in every other field, Bharat will progress to such an extent that the world will look upon it with deep admiration. People across the globe will wonder how Bharat is reaching such heights in every sphere of human endeavour.

At the same time, those who have harmed Bharat from within — those who have looted, destroyed, and corrupted the nation — will begin to receive the consequences of their *karma*. Every corrupt and sinful soul within Bharat will face the law of divine justice. Gradually, they will be held fully accountable for their actions. They will suffer the consequences of their deeds and wonder who is delivering this justice upon them.

Chapter Two

The Subtle World Awakens

Bapuji reveals that the forces making Bharat into a *Vishwa Guru* are not merely physical or political. The *sukshma jagat* — the subtle world — is the true driving force behind this transformation. The souls of the subtle world are now working to establish Bharat as the world teacher.

In the subtle world, the thirty-three crore *devi-devata* souls are gradually awakening. These divine souls will work both in subtle form and through embodied souls in the physical world. The powers and energies of the *sukshma vatan* — the subtle region — are being channelled into Bharat.

As these energies descend, the atmosphere of Bharat will begin to change. Slowly and steadily, the *vayumandal* — the environment and atmosphere — of Bharat will become so purified and elevated that those who are corrupt and sinful will be unable to continue their wrongdoing.

The shifting atmosphere will begin to transform even the minds of the corrupt. They will come forward on their own, confessing their crimes and openly acknowledging their wrongdoing. This reflects the profound influence of subtle energies operating through the atmosphere of Bharat.

Chapter Three

The Diamond Age of Bharat

Bapuji clarifies an important point — Bharat was historically called the golden bird, *sone ki chidiya*. But what is coming is far greater than gold. Bharat will become a diamond. The diamond age — the *diamond yug* — will dawn upon Bharat.

The good and virtuous souls — those belonging to the *devi-devata dharm* — whether in subtle form or in physical embodiment, will experience an awakening of extraordinary power within their *atma* — their soul. Gradually, every soul in Bharat will begin to experience the bliss of heaven within themselves.

Everyone will receive *atma gyan* — soul knowledge. The entirety of Bharat will become spiritually awakened. Every individual will develop the powers of the soul. Param tatva — supreme essence — will fill the atmosphere of Bharat. Param shanti — supreme peace — will pervade the entire land.

Anyone who gazes upon the map of Bharat will feel a deep sense of peace. The eyes of the entire world will turn toward it. Yogis from across the globe will feel drawn to this sacred land, yearning to set foot upon it. Bharat will rise to such spiritual elevation that the world will recognise it as the most sacred destination on Earth.

Chapter Four

Bharat: Light of the World

Within Bharat, both the subtle world souls and the embodied souls will continue to channel *param tatva* and the light of the supreme into the atmosphere. A festival of *param shanti* — supreme peace — will begin. People from all over the world will look towards Bharat, even for a single moment of peace.

The people of Bharat will undergo a deep spiritual transformation. Many will reconnect with their *sanatani* roots — the eternal path of the soul. They will rediscover the heritage of the *Adi Sanatan Devi-Devata Dharm* — the original, eternal path of the divine beings. A great spiritual awakening will arise across Bharat, uniting hearts in this understanding.

Meanwhile, many parts of the world will face their own internal challenges and conflicts. Bharat itself will not need to engage in any conflict. Bharat will become so completely self-sufficient — *sarvaguna sampanna* — that its spiritual radiance alone will command the world's deepest respect and reverence.

Those who come to Bharat will experience the divine presence. They will feel *param shubh* — a state of supreme auspiciousness — and *param shanti*, the deepest, all-encompassing peace. People from around the world will be drawn to Bharat by this supreme peace and auspiciousness. The world will look towards Bharat for spiritual guidance, seeking the path of inner peace.

Chapter Five

From Bharat to the Multiverse

Gradually, Bharat will show the path of peace to the entire world. The true meaning of this is that Bharat will show the path of *mukti* — liberation — and *jeevan mukti* — living liberation — to the whole of humanity.

Souls across innumerable religions, faiths, and traditions will be guided towards liberation. This work of granting *mukti* and *jeevan mukti* will be carried out by the thirty-three crore *devi-devata* souls and by many elevated souls. But it will all begin from Bharat. The spark will ignite from Bharat. Everything will start from Bharat.

From Bharat, this transformation will gradually spread across the entire world. Then it will extend to the entire *brahmand* — the solar system. Then further into the galaxy. Then into the entire creation. In this way, at the time of the great transformation, the change will extend across the entire *mrityu lok* — the mortal world. But it will all begin from Bharat.

Bharat does not need to fight or engage in conflict. The coming tomorrow belongs to Bharat. Gradually, Bharat will become so completely self-sufficient that even those within Bharat who were once corrupt or sinful will be transformed. As the atmosphere changes, their minds will change. Everything will become good. The coming future of Bharat is one of supreme peace and supreme glory.

Bharat will become *Vishwa Guru* — the world teacher. The eternal *Adi Sanatan Devi-Devata Dharm* will once again flourish across Bharat in its fullest glory. This is the divine destiny of this sacred land.
