About Bapuji

Bapuji (full name: Bapuji Dashrathbhai Patel, also lovingly addressed as “Dadaji” by the younger generation) was born in 1956 in the small village of Akhaj in the Mehsana district of Gujarat. He spent his childhood in another village named Ambasan, also located in the Mehsana district.

In the earlier phase of his life, Bapuji was a highly successful lawyer. Later, he devoted his life to realising the supreme spiritual truth and bringing this divine knowledge forward for the welfare of humanity. Today, this supreme knowledge serves as a guiding light for sincere seekers to realise their ultimate destiny.

Despite being raised in a very poor family and facing challenging circumstances, Bapuji had a deep desire to transform this sorrowful and suffering world into a better place. At the young age of six, he questioned God repeatedly, asking why God remained silent about the suffering of humanity. This intense longing to end human suffering eventually led him to attain the highest level of spirituality later in life.

Even as a child, Bapuji would spend hours alone in the fields, often neglecting his own comfort. Due to poverty, he would walk barefoot, frequently getting pricked by thorns. Many times, he would stay late in the fields and, on his way back home, encounter subtle world entities. These experiences sparked his interest in communicating with subtle world souls.

Bapuji was courageous from a young age, which helped him overcome many obstacles. Alongside his studies in chartered accountancy, he gave tuition classes to support himself financially. Later, he completed his Bachelor of Law degree and became a well-known lawyer in Ahmedabad.

In 1997, Bapuji established a spiritual institution called “Vishwa Parivartak Ishwariya Vidhyalay” in Chenpur,

Ahmedabad, with the mission of transforming this mortal world into an eternal divine world of immortality. Smt. Sushma Tandon, lovingly known as “Maa,” worked alongside Bapuji in this grand divine mission.

To accomplish this mission, Bapuji worked tirelessly, dedicating all his resources to this divine purpose. During that time, he would deliver continuous spiritual discourses for up to eighteen hours without rest. In these discourses, he explained the highest dimensions of divine knowledge, which he realised through deep meditation and divine vision in a state of superconsciousness.

Bapuji’s teachings cover a vast range of topics, including the types of celestial creators across different dimensions, the creation of our solar system, galaxy, and universe, and most importantly, the transcendental knowledge of the multiverse and realities beyond it. His knowledge is supremely profound and is intended for highly evolved seekers, referred to as behad souls.

At present, Bapuji remains deeply engaged in intense meditation and samadhi for long hours. He does not meet anyone, as he is continuously immersed in his transcendental mission in a superconscious state.

“Gyan Daan Maha Daan”

(Sharing Knowledge is the highest charity – share to the maximum extent with all.) – Bapuji Dashrathbhai Patel

• ★ •

This book presents a deeply esoteric and rarely spoken-about dimension of spiritual reality — the hidden work of powerful souls operating from the subtle world above the Himalayas. It is based entirely on the discourse of Bapuji Dashrathbhai Patel, who has shared this knowledge through his direct spiritual vision and superconscious experience.

The reader is gently invited to approach this material with an open mind. The concepts described here — subtle world armies, spiritual energy spheres above the Himalayas, and the transformation of Bharat — may be unfamiliar to many. Yet, according to Bapuji, these are realities that operate beyond ordinary human perception and play a decisive role in the spiritual destiny of this land.

This book does not add, interpret, or expand upon what Bapuji has spoken. Every idea presented here is drawn directly from his discourse. The language has been refined for clarity and readability, but the knowledge remains untouched.

May this knowledge reach those souls who are ready to receive it.

*The Hidden Spiritual Reality Above the
Himalayas*

In four chapters, the teachings of Bapuji Dashrathbhai Patel reveal the subtle realm above the Himalayas, the spiritual armies of Bharat, the great soul of Mahavatar Babaji, and the transformation that is now unfolding.

Chapter I

Gyanganj — The Hidden Realm Above the Himalayas

Mahavatar Babaji has been carrying out extraordinary spiritual work in the subtle world for a very long time. Along with his guru and many other powerful souls, he has been operating from the subtle dimension with great purpose and dedication.

Above the Himalayas, these souls have created a vast energy sphere known as Gyanganj. This is not a physical place visible to the ordinary eye. It is a massive subtle-world formation that exists high above the mountain range, at an altitude of five to ten or even eleven kilometres above the surface.

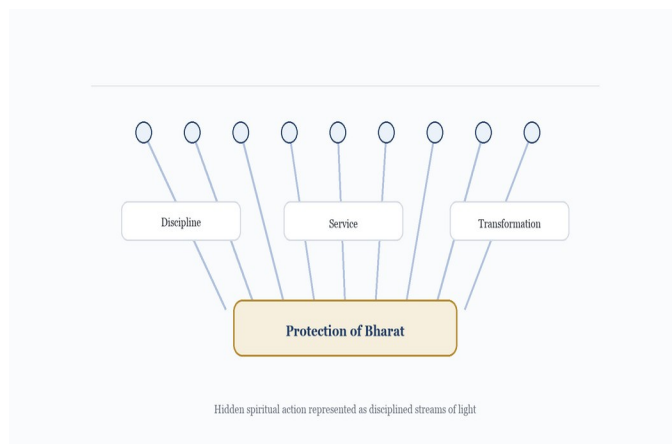

Within Gyanganj, Mahavatar Babaji has gathered a great number of souls from the subtle world. He has called them, trained them, and filled them with spiritual power. All of these souls worship Shiv Shankar. Through the devotion and worship of Shiv Shankar, Mahavatar Babaji has prepared a vast spiritual force.

However, Gyanganj is not just a single sphere. The entire Himalayan range is filled with such energy formations. From Jammu and Kashmir — starting from the sacred pilgrimage sites near Anantnag — and extending all the way through Amarnath to Arunachal Pradesh, there are numerous such spheres spread across the length of the Himalayas.

The height at which each sphere is formed depends on the spiritual capacity of the souls within it. The more powerful the souls, the higher the sphere is positioned above the earth. These spheres serve as centres where souls from the subtle world are brought, given intense spiritual training, and transformed into ascetic beings of great power.

Chapter II

The Subtle Armies of Bharat

The souls prepared in these Himalayan energy spheres are not idle. They form what Bapuji calls a spiritual army — a hidden force of subtle-world souls who worship Shiv Shankar, chant the name of Bholenath, and are dedicated to the protection and transformation of Bharat.

When the time comes and the need arises, these ascetic souls descend from the Himalayas and enter the earthly plane in a completely hidden form. They operate as a secret spiritual army, working to protect Bharat from negative forces and to restore its original spiritual identity.

According to Bapuji, alongside the courageous efforts of India's freedom fighters and the sacrifice of countless patriots, there was also a hidden spiritual current operating from the Himalayan subtle realm. This silent force, working from the unseen dimension, lent its quiet support to the great awakening of Bharat during that historic period. The visible struggle on the earthly plane was thus accompanied by an unseen spiritual effort flowing from the Himalayan subtle realm.

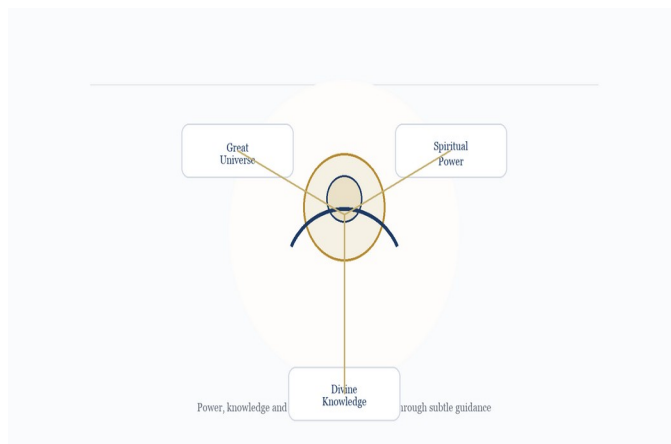

Mahavatar Babaji and the Hidden Spiritual Army of the Himalayas

Even today, this same process continues. Souls are descending from across the Himalayas, from Gyanganj and the many other subtle spheres, to work towards Bharat's original spiritual destiny. Their mission, as Bapuji describes it, is to gradually re-awaken Bharat to its ancient spiritual identity, helping all souls remember their highest source.

This work is entirely subtle and invisible. It cannot be seen by ordinary eyes. It operates at a level beyond human perception. Yet, according to Bapuji, it is the most powerful force shaping the future of this land.

Chapter III

Mahavatar Babaji — The Great Immortal Soul

Mahavatar Babaji is not an ordinary soul. According to Bapuji, he is an extraordinarily powerful being — a soul of approximately twenty-five to thirty kala. He has come from the Great Great Universe, one of the highest dimensions of existence within the multiverse structure.

Babaji has been present in this universe for a very long time, operating primarily from the subtle world. He once took a physical incarnation on earth, manifesting in a human form, and then returned to the subtle dimension. His spiritual capacity is immense. He is a soul who has always remained devoted to Shiv Shankar and has dedicated himself to the protection and upliftment of Bharat.

Within Gyanganj and across the Himalayan subtle realm, Mahavatar Babaji has given spiritual knowledge to countless souls. He does not merely teach — he channels power from the higher dimensions and transfers it directly into the souls under his guidance. This is the basis of the immense spiritual force that these souls carry.

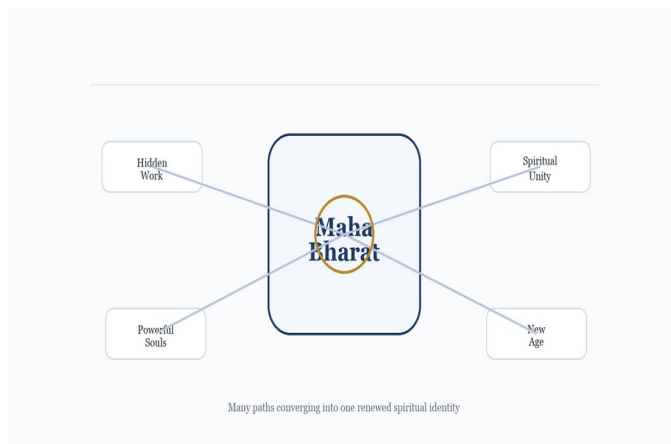

It is through this accumulated power that the subtle-world souls, led by Babaji and others like him, were able to lend their silent support during pivotal periods of Bharat's history, gradually neutralising the negative forces operating in the subtle realm. And it is this same power that is now being directed towards the spiritual transformation of Bharat.

Babaji always uses his powers for righteous purposes. Whenever negative forces rise, whenever irreligion spreads in the name of religion, whenever sin increases on the earth — that is when the powerful souls of the subtle world act. They intervene to free the land from negativity and restore balance.

There are many such great souls working alongside Mahavatar Babaji. Some are of ten kala, some of fifteen, some of twenty. All have come from the Great Universe or the Great Great Universe. They are not ordinary beings. They are extraordinary, ancient souls with vast spiritual reserves.

Chapter IV

The Coming Transformation of Bharat

According to Bapuji, a great spiritual transformation is approaching. Powerful souls are now descending from the Himalayas in increasing numbers. This process has already begun, and it is accelerating.

On the earthly plane, there are many souls who are still on their spiritual journey, gradually evolving towards higher states of consciousness. The powerful souls that are now descending carry the capacity to uplift these souls, helping them progress towards their original spiritual nature. By their silent presence and inner power, they raise the consciousness of all who come within their influence and gently guide them towards liberation. This time of great upliftment, Bapuji says, has now arrived.

The souls descending from the Himalayas are ascetic in nature. They are devoted to Shiv Shankar and Mahadev. They carry immense power. Their collective purpose is singular — the awakening of Bharat to its original spiritual essence as Param Bharat, the ancient land of truth and divine consciousness.

As these powerful souls continue to arrive on the earthly plane, Bharat will gradually re-discover its original spiritual essence. The land will once again recognise its ancient identity and emerge as Param Bharat — a unified spiritual civilisation rooted in the highest truth. This is the vision that Bapuji has described.

All of this work is happening in the most secretive and hidden manner. It is being carried out by souls operating in disguise, unseen by the world. The transformation of Bharat is not merely a political or social event. It is a spiritual process, driven by forces from the highest dimensions of existence, channelled through the Himalayas, and guided by great souls like Mahavatar Babaji.

When all these souls have fully descended and their work is complete, Bharat will undergo a profound transformation. The true essence of Bharat will arise—Maha Bharat, the great land of truth and spiritual power.
